

Escuela altos de Cajón

by Irina Just

The *escuela altos* in el Cajón arriba is in dire need of contribution and donations. It is a small (50 kids) elementary school high up in the hills of Poás, which serves mostly Nicaraguan and underprivileged families.

The school has a food and nutrition program (PANEA), intended to serve healthy lunches to these kids who often do not get any nutritious meals - even any meals at all - at home.

In addition to money, the school is also looking for any household and/or clothing donations which they could distribute to needy families in their school-shed.

If you would like to make either a one-time donation or set up a monthly contribution schedule, you can do this by depositing any amount into the school's account (COLONES only) at the Banco Nacional:

Acct number: CTA 100 - 1 - 0060005247 - 6

The school's e-mail addresses are:

general: esc.altosdegrecia@mep.go.cr

Or to the director personally:

Directora Yendis Acosta Calderon at
yendrita06@hotmail.com

Your generosity and ongoing support are greatly appreciated by the school, which promises to use your money or other donations wisely. I will be happy to collect your household or clothing donations.

If you prefer, you can also give me a cash donation in any amount and I will see to it that the school gets it right away.

On behalf of our *escuela altos*, I thank you in advance for your generosity.
