

Lemon Blossoms

By Karen Temple-Davis

***Karen brought these to the Blooms group in February, they were a hit!
Here's the how-to...***

1-18 ½ oz yellow cake mix

3 ½ oz box lemon pudding mix

4 eggs

¾ cup vegetable oil

Directions: mix yolks, oil, and pudding mix together. Add cake mix

Fill 2/3 cup full for each cupcake

Bake at 350 for approx 12- 15 min

Glaze:

4 cups powdered sugar

1 lemon zested

1/3 cup lemon juice

3 tbs vegetable oil

3 tbs water

Mix together

When cupcakes are out of the oven turn out on a tea towel– while still warm dip in glaze. Completely cover (this will be a bit messy) let dry on rack. As the cupcakes dry the glaze will harden and make a lemony crunchy icing.

These are also great as mini cupcakes.
