

**WE LOVE OUR MOTHERS!**

*My Madre's Angels is a community project founded by John Brewer, with the mission of helping mentor single mothers with the goal of financial security for them and their children.*

**MEET OUR CURRENT MENTEES!**

**Kathrine and Sofie**

Los Angeles De Mi Madre would like you to meet and support **Kathrine** and Sofie, one of her 3 children. She is a Graduate of MMA. She has learned how to make and market Italian Pesto. We have some support in the community for Selling Mamas Pesto. Karla, one of the managers of The Gran Bodega in Grecia (located just up the street from the feria, across from the gas station) is kindly helping by selling Katherine's Pesto in the refrigerated section.

**PLEASE HELP GROW THIS BUSINESS BY** trying some of the home made Italian Pesto Sauce. **THANK YOU,** for more info call 8400-1929

Our second soltera is **Gesela**, she is a mother of two girls. She has an online business selling jewelry. You can view her beautiful yet inexpensive items online. If you go to Facebook *Gisela Jimenez* and enter **Gi & Ji joyeria en acero y accesorios** you will see her jewelry.

If you are retired but still active and like to help, you can! We hope you will help these mothers create an independent and secure financial future by supporting them through sales or **become a silent sponsor for less than 33 cents per day. That is only 5 mil per month to improve a families future.**

Sincerely, John Brewer, founder of Mi Madre's Angels [johnbrewer1929@gmail.com](mailto:johnbrewer1929@gmail.com) 8400-1929 please no voice mail.
